### Request Detail:

Information on negligence claims

### Response Detail:

This is an extract of the numbers of clinical negligence claims that have been recorded on Datix (an internal Trust system) by year, however, they are not categorised in terms of delivery of service, quality of service and accessibility of services (although most would fit into at least one of these categories).

The number of claims recorded on Datix

2002 – 1  
2003 – 8  
2004 – 2  
2005 – 2  
2006 – 1  
2007 – 3  
2008 – 4  
2009 – 7  
2010 – 10  
2011 – 17  
2012 – 16  
2013 – 24  
2014 – 20  
2015 – 14 (to date)

Please note the increase in the numbers from 2011 onwards may be due to the increase to the Trust portfolio as that is when a number of Community Services were transferred over to the Trust from local Primary Care Trusts.
