Date request received:	29/10/2016

Category:	Contracts
Tags:	Equipment, Medequip

Request Detail:

Please can I have a copy of any contract you hold with providers of aids (eg walking frames, commodes, crutches) for disabled people? Research suggests the company providing these is called Medequip, but if you hold contracts with other providers I would also be interested in seeing these.

Please can you also provide a copy of any policy you have regarding what to do with aids which are no longer needed? ie throw away/re-use/recycle?

Response Detail:

The Trust response to your recent FOI request is as follows:

This Trust no contracts with Medequip nor do they supply us with any equipment.

You may be better submitting this request to local Clinical Commissioning Groups as it is they that have contracted Medequip.
