Request Detail:

NHS trusts are reportedly meant to keep a register of payments from pharmaceutical companies (and other relevant companies) to staff, in case of conflicts of interest [1]. I am requesting a copy of the register for this Trust - which I would hope includes details of all relevant payments to staff and any related potential conflicts of interest. If it would be possible to have this information in an appropriate structured data format

- for example, a CSV file - this would be helpful. If this Trust does not have a complete register, I would request: the release of the information on this topic that the Trust does hold; and an explanation of why the Trust does not hold a complete register.

I am also requesting the number of staff members who have been the subject of internal investigations or disciplinary proceedings in relation to purported conflicts of interest, or the failure to declare them, and the outcomes of these investigations or proceedings.

Response Detail:

Please find the Declaration of Interest and the Gifts & Hospitality registers in the attached pdf documents.

For the financial year 2015/16, the number of staff members who have been the subject of internal investigations or disciplinary proceedings in relation to purported conflicts of interest, or the failure to declare them, and the outcomes of these investigations or proceedings is none.
