FOI request reference:	2017/230
Date request received:	26/07/2017
Date request responded to:	16/08/2017
Category:	Corporate
Tags:	Bank, staff

Request Detail:

I am researching NHS organisations use of internal banks. The purpose of the FOI is to understand how all trusts are currently utilising bank staff, and any plans and strategies to grow them.

Could you please return your response to my request in an Excel format

Response Detail:

The Trust response to your recent FOI requests can be found in the attached excel spreadsheet.

Please note there is no clear definition in the FOI about what is classified as "Overtime". For the purposes of this FOI all Bank costs have been classified as being "Overtime", some overtime elements will be included within the substantive costs however, but splitting these out would be extremely time consuming as we do not record overtime payments to staff separately within our finance system
