Hospital parking

- How many car parks out of the total number designated for hospital patients/visitors offer free parking, as of your most up-to-date statistics? (please state how many and out of the total)
- If you charge fees for hospital patients/visitor designated parking, do you have the same pricing structure at all your parking sites? (Yes/No)
- What is your most commonly charged minimum rate for patient/visitor parking (excluding any free parking), and for how long does this allow somebody to park?
- What is your most commonly charged maximum rate for patient/visitor parking (excluding any free parking), and for how long does this allow somebody to park?
- What percentage of car parks designated for hospital patients/visitors allow payment by debit or credit card? Please approximate if necessary, and state if you do so
- What percentage of car parks designated for hospital patients/visitors allow payment on exit? Please approximate if necessary, and state if you do so

### Response Detail:

The Trust response to your recent FOI request is as follows:

LCFT does not charge for any of its owned car parks at its premises across Lancashire, however where we deliver a service on an acute hospital site for example Chorley Hospital, our visitors and patients will have to pay the going rate at that hospital.
