Request Detail:

Info re use of Ribbleton Hospital site

Using the Freedom of Information act I would like details of Ribbleton hospital. I have tried numerous ways to find out which manager is looking after the land at both the Ribbleton hospital and the land behind it that used to be Garth House observation centre.

It was initially earmarked to be one of the four mental hospitals in Lancashire but that seems to be shelved.

Could you tell me which manager is dealing with the land of the two mentioned sites? Also his email address.

What is the plans for the two mentioned sites?

Response Detail:

The Trust response to your recent FO request is as follows:

Which manager is looking after the land at both the Ribbleton Hospital and the land behind it that used to be Garth House observation centre.

The lead contact is Alistair Rose, email address - Alistair.rose@lancashirecare.nhs.uk

What is the plans for the two mentioned sites?

The Trust doesn't consider them as separate sites, so for strategic service planning purposes they are a single site. Garth House has been demolished. The Trust is currently considering a number of options for services on this site.
