### Request Detail:

Under the Freedom of Information Act 2000, please provide me with the following:

1. The number of investigations that followed deaths, including sudden and unexpected deaths, in your organisation since 2011.
  - a) Whether any investigation occurred
  - b) If so, how many were independently conducted?
  - c) Who carried these out?
2. The number of severe incidents involving patients in your organisation and the amount that were investigated since 2011.
  - a) Whether any investigation occurred
  - b) If so, how many were independently conducted?
  - c) Who carried these out?
3. The number of investigations of any severe incidents or deaths that concluded that fault or neglect of a third party or staff member had contributed to the death of a patient under the care of your organisation at the time.
4. Have you undertaken, or plan to undertake, an assessment of your avoidable mortality rates in response to Professor Sir Bruce Keogh's request to all medical trust directors in December 2015? If so, what have your findings been?
