Request Detail:

I am researching the impact that New Psychoactive Substances (NPS) such as Spice and Black Mamba are having on the delivery of services within the prison estate. I would be grateful for your responses to the following questions in relation to HMP Wymott

- 1) How many incidents involving NPS were dealt with by healthcare staff during each of the following years?
 - . 2012
 - . 2013
 - . 2014
 - . 2015
 - . 2016
- 2) How many times during each of the following years was the healthcare team required to initiate life support due to suspected NPS use?
 - . 2012
 - . 2013
 - . 2014
 - . 2015
 - . 2016
- 3) On how many occasions during each of the following years was an ambulance required to transfer an inmate to Accident and Emergency due to suspected NPS use?
 - . 2012
 - . 2013
 - . 2014
 - . 2015
 - . 2016
- 4) If healthcare is not provided 24-hours under your contract, what is the protocol if a serious incident involving NPS use takes place out of hours?
- 5) How many times during each of the following years have routine health clinics inside your prison been stopped or delayed as a result of staff being tied up with suspected NPS-related incidents?
 - . 2012
 - . 2013
 - . 2014
 - . 2015

- 2016
- 6) How many times during each of the following years have inmates been unable to attend health appointments outside prison as a result of staff being tied up with NPS-related incidents?
- 2012
 - 2013
 - 2014
 - 2015
 - 2016
