August 2016 to July 2017											

Response Detail:

The Trust is unable to respond to your recent FOI request for a number of reasons:

- This information would take over 18 hours to obtain for a number of reasons as the HIV service was not fully electronic which means extracting the

information and collating it into the format required for the FOI would be complex and time consuming.

- The HIV service was TUPE'd across to Blackpool Teaching Hospital NHS Trust on 31st July 2017.
