Request Detail:

Policy on patients outside Lancashire using Lancashire Hospitals

Could you please let me know Lancashire Care NHS Foundation Trust's policy on patients outside the area using Lancashire's hospitals?

Response Detail:

The Trust is unable to provide a response to your recent FOI request as we do not provide any Haematology clinics so do not have a policy in place for service users of that service. I would suggest that local acute Hospital trusts would be in a better position to answer this query.
